Knob cylinder E60

Technologies

- Door cylinder according to DIN EN 1303, DIN 18252, ISO 9001:2015
- With emergency function: can be locked from both sides, even if the key is in the lock inside (does not apply to half cylinders, as these can only be locked from the outside)
- 6-pin cylinder
- Keyed alike available: padlocks No. 86TI/55 as well as 83/45, 83/50 and 83/55 can be made keyed alike to the same key
- Drill protection: three hardened steel pins on both sides of the cylinder body, two hardened steel pins in the plug and three hardened bottom/top pins per cylinder side
- Long key neck, perfect for door fittings with cylinder protection
- Service: making of door cylinders as per sample key
- Supplied with 3 keys

Operation and use

- Main entrance doors or apartment doors

Variants

- Finishes: NP = Nickel Pearl – dull matt brass finish, PB = Polished brass
- Special versions: half cylinder, thumbturn cylinders

Technical data - Knob cylinder E60

Security Level Home Security	7
