

# ABUS Raydo Pro 1450/185

## Tootekirjeldus

### **Illuminated security: Abus Raydo Pro 1450 TexKF**

The spiral cable lock Raydo Pro 1450 from ABUS combines aesthetics and security in an ideal combination and is thus an absolute trendsetter.

Particularly noteworthy here is the ABUS Press'n Shine function used, which will never leave you in the dark again. Thanks to the LED illumination of the number cylinder, you can recognize the digits on the combination lock at any time of day or night and open it easily.

You can set the four-digit code for the lock individually and remember it easily. The spiral cable lock Raydo Pro 1450 is ideal for use by several people.

### **Features**

- 12 mm thick, high quality and super flexible spiral cable
- Plastic coating to protect against paint damage
- Individually adjustable numeric code
- Press'n Shine Function - LED illuminated number roller for easy handling in the dark
- Good protection with low risk of theft
- Recommended for the protection of inexpensive two-wheelers
- TexKF Mini - holder with textile strap, especially suitable for non-round tube cross-sections with

diameter 21-80 mm

- For transport the lock can be snapped in quickly and easily
