

ABUS Star 4508K/150

Tootekirjeldus

A lightweight coil cable, the Star 4508K features a 8mm steel cable. This lock is best suited to areas of low theft risk and makes a great lock for kids bikes or quick stops.

The ABUS snap closure makes locking a breeze - no key needed to close the lock! Just snap it shut and off you go.

Nobody likes complicated installation and the Star 4508K takes it to the absolute next level of easy with its innovative SCMU bracket. It can be mounted to the bike without the use of tools in just seconds - saving you valuable time and effort. It rotates to allow the bracket to be mounted in multiple directions and easily accommodates a wide variety of frame shapes and sizes.

The lock is PVC-coated with an attractive matte finish that protects your frame's paint.

- 8mm steel cable
- PVC coating protects the frame
- Two keys provided with lock
- Automatic key cylinder makes locking even easier!
- Innovative SCMU bracket makes mounting and transport a snap!
