ABUS Microflex 6615K/85/15 Armored Cable Lock

Great technology in a small format - the Abus Microflex 6615K armored cable lock with 15 mm thick, overlapping steel sleeves protect the internal steel cable and thus offers double security!

Due to the steel sleeves Steel-O-Flex locks achieve a much higher security than simple cable locks while still maintaining high flexibility (Double Protection).

The lock with ABUS Security Level 5 offers good protection at low risk of theft and is recommended for securing inexpensive two-wheelers and children's bikes.

Technologies of the ABUS Microflex 6615K/85/15 Armored Cable Lock

- 15 mm thick overlapping steel sleeves protect the internal steel cable
- PVC coating to protect against paint damage
- ABUS automatic cylinder with drill protection and user-friendly reversible key
- Two keys included
