ekey Modul 2N

Tootekirjeldus

The ekey Modul for 2N IP Verso BL is a build-in module which is black in color and covers the ekey finger scanner outlet-mounted for electricians in the 2N IP Verso door station. The ekey Modul is intended for use in both domestic and business applications. The ekey Modul is designed for fixed mounting on the ekey finger scanner outlet-mounted for electricians in the 2N IP Verso door station, and for use in unprotected outdoor areas. As a component of the ekey finger scanner outlet-mounted for electricians, this ekey Modul can only be used in conjunction with this particular product.
