

YALE uksekell

Tootekirjeldus

The Yale Smart Video Doorbell is easy to use and install and offers you a crisp 1080p Full HD image, live viewing, and night vision for clear footage that can be viewed in the Yale Home app. Get a “call” on your phone when the doorbell rings, and detailed notifications whenever the built-in motion sensors are triggered, to never miss a delivery or guest again.

- Full 1080p HD image around the clock with live view and night vision
- Set up specific areas that you want the doorbell to monitor
- Easy to set up for both hardware and software
- Receive an app notification when a package is detected*
- Choose between power from the built-in rechargeable batteries or
- wired power solution
- Speak and listen to your visitors with the Yale Home app
- Get an alert if someone tampers with your Smart Video Doorbell
