

YALE koodipaneel

Tootekirjeldus

- Experience seamless keyless entry with the Yale Smart Keypad 2 - Fingerprint.
- Pair it with your compatible Yale smart device to use your fingerprint or a personal entry code to unlock your door effortlessly.
- Use the one-touch locking keypad button when you leave.
- Add up to 10 users with fingerprint authentication and generate unique entry codes for family, friends, and trusted individuals via the Yale Home app.
- Always stay informed* with instant alerts for every entry and get notified when someone rings the built-in doorbell on the keypad.
- IP55 for water & dust resistance
- Keypad lights up as your approach
